

## Voice Activity 9.07

After completing this assignment, you will be able to:

- identify and participate in events of Hispanic influence in your community or media.
- OR -
- identify how specific Hispanic-Americans have contributed to the history of the U.S.A.

This assignment will be completed in English (but you can do in Spanish if you wish). **There are TWO options to choose from:**

**1. Choose one form of Hispanic influence in your community or media today. It can be a television show, a movie, a play, a dance (you can even take dance lessons-salsa, bachata, merengue, tango, flamenco...!), visiting an art exhibit, attending a jai alai game or a concert with Hispanic music and artists, listening to a radio station or even eating at a restaurant. You will need to commit to the activity for 30-60 minutes. Your parent or guardian will then need to record a voice activity in English (or Spanish, if the parent speaks Spanish) that states **what activity you did, when and for how long you did the activity, and what you learned from it. More details can be shared if you wish.****

**2. You can research online about Hispanic-American people that have been important to the history of the United States. Make a list of AT LEAST 5 PEOPLE, and explain what they have contributed to the American history.**

**You will be graded on the accuracy of the information provided.**
